EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. James Howard (Reg. No.39,715) on 7/27/2005.

The application has been amended as follows:

Claims 4-14 has been canceled.

The following is an examiner's statement of reasons for allowance:

The art of record considered as a whole, lone or in combination, neither anticipates nor renders obvious a box nailing machine comprising in combination: a box nailing machine body comprising a nail driving port from which nails are driven a handle portion comprising a handle arm; and a magazine for accommodating nails, a forward end portion of which is attached to the nail driving port, a portion of the magazine except for the forward end portion being attached to the handle portion via the handle arm; wherein the magazine comprises a handle arm attaching portion for attaching the magazine to the handle arm; the magazine comprises metal and is formed substantially into a U-shape by press forming; and a plate integrally formed in the handle arm attaching portion so that the plate is disposed between a head portion of a fixing bolt and the
